- the Developer is to pay monetary Development Contributions to the Council for the additional dwellings or Final Lots (or both) not later than 14 days after the Applicable Development Consent has been modified or such later time as may be agreed in writing between the Parties.

Contribution Values

- 9.3 The Parties acknowledge and agree that a Contribution Value:
- 9.3.1 constitutes the agreed value of the public benefit of a Development Contribution required to be made under this Deed irrespective of the cost to the Developer of making the Development Contribution, and
- 9.3.2 does not serve to define the monetary extent of the Developer's obligation to make the Development Contribution to which the Contribution Value relates.

Application of Development Contributions

- 9.4 The Council is to apply each Development Contribution made by the Developer under this Deed towards the public purpose for which it is made and otherwise in accordance with this Deed.

Flexibility in application of Development Contributions

- 9.5 Despite clause 9.4, the Council may apply a Development Contribution made under this Deed (other than the Environmental Land Maintenance Contribution) towards a public purpose other than the public purpose specified in this Deed if the Council reasonably considers that the public

interest would be better served by applying the Development Contribution towards that other purpose rather than the purpose so specified.

10 Payment of monetary Development Contributions

- 10.1 A monetary Development Contribution is made for the purposes of this Deed when the Council receives the full amount of the contribution payable under this Deed in cash or by unendorsed bank cheque or by the deposit by means of electronic funds transfer of cleared funds into a bank account nominated by the Council.

Request by Developer

11.5 If, having used all reasonable endeavours, the Developer cannot ensure that Dedication Land is free from all encumbrances and affectations (other than those referred to in clause 11.4), then:

- 11.11 The Council is to do such things as are reasonable necessary to promptly:
- 11.11.1 provide caveator's consent (in a form acceptable to the NSW Land Registry Services) where reasonably requested by the Developer, provided the matter requiring the consent does not affect the Council's estate or interest in respect of the relevant part of the Land under this Deed, and
