NOTE: Upon payment of the current fee to purchase a plot in one of Maitland City Council's Cemeteries, an Interment Right will be issued to the person nominated as the Holder (the applicant/s). This Interment Right gives that person/s, or any other person/s they nominate, the right to be buried in that plot.

Should the deceased be the Holder, then the Interment Right becomes part of his or her estate, to be administrated by his or her Executor. If there is no Executor, then the Next of Kin who is the "major beneficiary" may authorise the opening of the grave for the interment of the deceased. Only the Holder of the Interment Right can authorise an interment into the plot and the placement of any Monumental Works on the plot.

The Interment Right can be transferred to another person while ever the grave is vacant. This is not legally complete until any transfer is registered in Maitland City Council's Cemetery Register. It is necessary to supply relevant information such as a will, statutory declaration, or evidence of identity to transfer the ownership of a plot.

Graves can usually be dug to a depth to accommodate two coffins and four ashes. However, occasionally, due to rock or stability problems not evident prior to commencement of digging the grave, ground conditions may not allow for burial in an allocated plot. In these circumstances an alternate plot will be allocated.

Council does not insure the grave / headstones / or monumental work.
