Ongoing Operations Phase

Ongoing Operations - Option 1

(applies to the following types of development)

- Single dwellings
- Dual Occupancy and Medium Density Housing – Individual Storage Areas
- Construction of outbuildings, such as garages, carports and sheds
- Dwelling alterations and additions
- Fences and retaining walls
- Swimming Pools
- Water Tanks
- Proposals involving minor construction
- Change of use applications involving minimal construction

Who is going to collect the waste and recycling generated by this development?
(tick applicable)

- Council General Waste Collection (Green bin)
- Council Recycling Collection (Yellow bin)
- Private Contractor Council

Ongoing Operations - Option 2

(applies to all development excluding those categories nominated under Option 1 above)

Describe how you intend to ensure ongoing management of waste on site

1. All staff are required to minimise the creation of waste (ie don't print documents where paperless can be used & bring containers for lunch rather than plastic etc).
2. All staff are required to dispose of waste in the correct manner (ie put rubbish in the correct bins, recycle where ever possible).
3. The Commercial Facility Manager is responsible to dispose of waste into the correct waste storage bins for removal from site and recycling off site.
4. _____
5. _____
6. _____
